

Newsletter September 2023

We would like to take the opportunity to wish you and your families a Healthy, Happy and Creative New Year!

We have many different activities planned for the coming year.

The "Call to Participate" for our annual Exhibition "Together" is attached to this month's newsletter.

Our annual exhibition will exhibit in the Jerusalem Theater during the months of March – April 2024, and then will move to Heichal Ha'Tarbut in Petah Tikva.

We will be having a zoom lecture on the subject of the exhibition by Tali Morano (Emanuel Moreno's widow) on 23/10/23 at 19:30.

The lecture is free of charge. Please sign up on the website.

This year's exhibition will be judged by the members. More information coming.

On September 1st, 2023 the exhibition "Windows from Czech Synagogues" will exhibit in Heichal Sholmo Synagogue Gallery in Jerusalem. A group of Czech Quilters wanted to commemorate the old synagogues of Czech and Moreno by making quilt of the windows of the old synagogues. The quilters are non-Jewish therefore there is great significance to this exhibit. Hana Ron our member met these quilters at the Brno Quilt exhibition and together we made this exhibition possible. If you are in the vicinity, please

We are arranging an opening and a "get together". Detail to follow.

Building a Community

We are trying to build a community for all our members.

We will be having "get together"s in different locations for our members. You are invited to bring quilter friends that are not members in order to introduce them to the IQA. We are looking for ways to increase membership and to bring in younger members.

Our first "Get Together" will take place on Sept 4th, at the Eden Inn in Zicron Yaakov at 17:30-19:00. Coffee and Cake will be served, Please bring Show and Tell.

The "get together" is free of charge, just sign up by calling or WhatsApp to Miriam Platonov 052-2228177
