

Oct-Dec 2023 Newsletter

Dear Members,

We hope this newsletter finds you well. We all have been going through very difficult times and it will be awhile before things go back to a new normal. We have complete confidence that we will win, it will just take time but we will get there.

The October newsletter was ready to go out Saturday night Oct. 7 th , but then everything we planned was cancelled. It took us a while to get back into the swing of things. Meanwhile our members made blankets for the evacuees and laundry bags for soldiers and evacuees. Kol Hakavod!!

All these projects are great to distract us from the news.

We hope to see you there.

Block of the Month

We had planned a “Block of the Month” project for our members for next year, but decided to start it now to give us another project to help pass the time. Anyone who did not receive the first two blocks, pls let us know.

Synagogue Windows

The Chez Exhibition "Synagogue Windows" was exhibited in the Heichal Shlomo Museum during the month of September. We had an opening ceremony with a representative from the Chez embassy. There was a very good turnout of our members. It was a very impressive and professional exhibition.

We are looking for more venues to exhibit these works, if you have any ideas pls let us know.

Annual Exhibition

We are reminding our members about the annual exhibition that will take place at the Jerusalem Theater during the months of March and April 2024.

The subject of the exhibition is "Together". The subject is actual now more than ever. We are looking forward to seeing your works.

The "Call to Participate" was sent out in the September Newsletter but you can find it also on the website under activities.

Workshops

Karen Eckmeier was very thoughtful to our situation and immediately agreed to postpone the workshop, as we really did not have the desire and the ability to have the workshop. We agreed upon these new dates.

If you signed up for the Tuesday workshop, you are also signed up for the new Tuesday workshop- As goes for the Wednesday workshop. If you would like to switch please be in touch.

Hi Judy ... just had to send a message to say that you are all in my thoughts and prayers after the terrible developments we are seeing on the news today

May you and all your members and their families keep safe and well during and after this frightening escalation of hostilities.
