### January 2024

The New Year 2024 has arrived. We have a full calendar of events planned and we hope that we will be able to do them all.

We ended the year 2023 with a members meeting. The known fiber artist Yuval Etzioni gave an interesting lecture on "Fiber Art and Patchwork in Israel".

The Audit committee reviewed the financial report of 2022 and the activities of the association. We thank Ronit Eilat and Eti Kazs for volunteering 4 years on the audit committee. We welcome and thank Yehudit Rosental and Rivka Rivniker for volunteering to be the new audit committee.

At the meeting, we reviewed last year's events and the events that were unfortunately cancelled.

We explained the gap in the financial reports of 2022 and 2021. The difference was mainly because of the quilt retreat we planned in Neve Ilan and the lack of response of the member's participation.

The members approved the new audit committee and the financial report.
