June 2025

The month of May was a very busy month for us with lots of activities.

We opened our exhibition **"Together"** in Heichal Ha'tarbut in Petah Tikva.

The opening ceremony was very impressive with a big turnout of our members and friends. The Heichal provided background music, Arie Yemini the Ceo of the Heichal Ha'tarbut and the curator Marie Prigar honored us with kind words.

We awarded prizes to the **winners of the competition**.

Two days later, we met at **kibbutz Na'an** on our **tiyul**. Zohar Bekol started with a lecture about songwriters and composers that grew up on the different Kibutzim. The songs were about kibbutz life and growing up on the kibbutz.

We walked through the kibbutz with the artist Dani Madar Ha'levi whose **ceramic statues** are decorating the kibbutz grounds. He explained what inspires him and his work process.

After a kibbutz lunch in their dining room, we met with the **textile artist** Shay Shneidermann. Shay told us about how he recycles just about everything especially Jean fabrics.

From there we walked to Ruth and Ephraim Kochava. We saw Ruth's **ceramic works** and heard Ephraim's life story, as a child in Holland during the holocaust.

Kibbutz Na'an definitely has the ability to give peace and tranquility for creativity.

On May 27th we got together at the **Social Study Library** at the Tel Aviv University to hear about the history of the synagogues in the Czech quilters exhibition **"Synagogue Windows"**. Miriam Mouryc, an expert on Czech Jews, gave us a fascinating talk about the synagogues then and today that we saw in the exhibit.

There are still a few more days to see our exhibition "Together" in Petah Tikva and the exhibition of the Czech synagogue windows. They both are closing at the end of May.

We have now started working on **next year's annual exhibition**.

If anyone has a suggestion on a subject for the exhibition please let us know.
