בעקבות הטלטלה החברתית שהתרחשה בשנה האחרונה בארץ, אף אחת מאתנו לא תיארה לעצמה לאן יוביל ה"ביחד" הזה. החברות השתמשו במיטב כישורן ויצרו עבודות מיוחדות הן ברעיון והן בביצוע.

### Chez Synagogue Windows Exhibition

The Synagogue windows exhibition by the Chez quilters is now exhibiting at the social studies library of the Tel Aviv University. It will be on Display until May 31<sup>st</sup>.

The University felt that it is very appropriate to show during Yom Ha Shoah. They are having a few events around the exhibition and they are sponsoring an event just for us.

On Monday the 27/5/24 at 17:00, we will have an event with Miriam Mouryc.

Miriam is responsible for the Czech Republic and Slovakia and manages the activities with the graduates of Yad Vashem's seminars and training programs in Central Europe.

Miriam herself is from the Czech Republic, specialized and knowledgeable in the Czech community, its culture, its roots and its history.

Miriam is also versed in the artistic language and aspects.

Her plan is to have a guided tour of the exhibition, open with the background and context, and tell the story of the exhibition, of the synagogues and of the community by focusing on some of the works.

Even if you saw the exhibition in Jerusalem, there is a benefit to join this tour.

We will have a chance to meet each other and build our community.

Please invite your friends to join us for this event!

Our sincere condolences to Nurit Kapra on the passing of her mother

### Workshops in Shoham

We will be having workshops on the June 16 in the Metro community center in Shoham.

1 case with outside pockets can be used to hold your sewing supplies or used as pencil case.

You can use plain colors or multicolored fabrics even left over blocks.

(This is with the permission of Gloria Loughman)

We will prepare a quilt and learn how to use light in our composition.
